The Honorable Kim Wyman
Secretary of State
Legislative Building
416 Sid Snyder Ave SW
Olympia, WA 98504

Dear Secretary Wyman:

One of the essential bedrock principles of our democracy is "one person, one vote." Ensuring that no individual has been able to cast more than the one ballot they are entitled to is critical to maintaining confidence in our electoral system. That is why I respectfully ask that you do not certify any election results this year until you can be absolutely certain that the number of ballots cast directly coincides with the number of voters known to have actually voted in the general election. Such a review will help reassure voters that no person was able to erroneously cast more than one ballot.

Sincerely,

Senator Phil Fortunato
31st Legislative District
